

ELECTION EMAIL LETTER

Dear Leadership Program Participant,

At this point it is undeniable: the state of our union and your fellow brothers and sisters is in grave danger.

The [REDACTED] believes in your character and the work you do. Your commitment and integrity stand out in your ability to strive for excellence. We build ourselves upon the type of knowledge and leadership role you have shown to our [REDACTED]. That's why this presidential election, we need a leader who stands for [REDACTED] rights.

As a Program Participant, your support is important. The valor you display everyday shows what hard work is and how it built the American dream. We see all your efforts in contributing to our goals for the future, and this type of leadership can demonstrate how valuable this election is.

To ensure the [REDACTED] mission and vision remains in-tact for the next four years, we will be launching a series of campaigns targeted to specific [REDACTED] issues. We want to keep you informed on what to expect in the coming weeks.

Specific campaigns will be mailed that directly focus on the issues that directly impact our membership. These campaigns ask union members and their families to get out and vote, while highlighting Trump's anti-union platform. You will get an email about each campaign as they are released.

Additionally, the best way to talk about politics, is to be informed and educated. Thus, we'll include talking points with each campaign should someone come to you with questions. **I ask that you deepen the impact of each of these messages by spreading the word and leading the way to get out the vote, and vote for a leader who stands with – not against -- the [REDACTED]**

Election day is around the corner. Your vote matters, and as leaders your voice matters to your peers the most.

I thank you for your help in making a difference this election season by being the leaders you are.

Sincerely,

[REDACTED]
